

WEATHER UPDATE

March 14, 2026

LEGACY OF **LOVE** FUNDRAISING DINNER

CANCELLED

With heavy hearts, we want to share that **tomorrow night's Legacy of Love Gala has been canceled due to severe weather conditions.** Our top priority is always the safety of our guests, volunteers, and community. With reports of trees down, strong winds, and heavy rain creating hazardous road conditions, we felt it was necessary to make this difficult decision.

We are incredibly grateful for your support and your willingness to gather with us to honor the lives and families we serve through Let Grace In.

We will follow up soon with additional information. For now, please stay safe and take care.
